

Nick Micatrotto
Director—Security Sales

Years Experience: 16

Nick Micatrotto has a very unique experience within the industry. Nick started as a young man pre-wiring and installing residential security systems, structured wiring and complex sound systems. Nick then worked his way to becoming a Lead Technician within the commercial installation department, taking on the installation of extremely complex security camera, access control, fire systems, telephony and background sound systems.

Nick's experience on the technical installation side has made him one of the most sought-after security sales consultants in the state of Arizona.

In 2006 Nick became the Director of the Security Sales Division within Benson Systems and leads a sales force with \$12 million in annual sales.

Nick has certifications and industry knowledge of products such as Honeywell, EST, Cisco, Hirsch, Quintron, Sielox, Bosch, Radionocs, Firelite and many other system manufacturers.

Nick's representative project experience include:

- Maricopa County
- Pinal County
- Westgate City Project
- Cox Communications
- Target Distribution Centers
- Gold Canyon Candles
- And hundreds of others.
